

## Small Group Moderation Partnership Registration Form 2017

Participation in a small group moderation partnership is compulsory where a school has a projected number of **fewer than six** ATAR examination candidates in a particular ATAR course. Details of this requirement are provided in Section 3 of the WACE Manual 2017.

All schools are required to record their participation or non-participation with the Authority. Indicate in the declaration below the option which is applicable for your school for 2017.

If the second option is selected, then the details of all small group moderation partnerships in which your school is involved need to be recorded on the attached table.

Please note that:

- partner schools must have a common assessment outline.
- each partnership recorded by your school must have been confirmed with all other schools in the partnership. Every school in the partnership must send to the Authority a registration form with the matching details before the partnership can be registered.

This form (together with the attached table recording the small group moderation partnerships where option 2 has been selected below) must be sent to Rita Colliander at the Authority by **Thursday, 16 February 2017**.
