WITHDRAWAL OF A STUDENT FROM NAPLAN TESTS

Parents and carers have the right to apply to withdraw a student from the NAPLAN assessment program. Withdrawals are intended to address issues such as religious and philosophical objections to testing. This form must be signed by the parent or carer and the school principal.

Students who are granted a withdrawal are not counted as part of the cohort of assessed students. The text that will appear on the individual student report for tests for which the student was withdrawn will read: *Your child was withdrawn from this test.*

Please indicate the tests for which withdrawal is requested:
