Statement of Raw Marks: ATAR Course Examinations 2026

Closing date: ***By close of business – 4.00 pm (AWST) on Friday, 29 January 2027***

To assist ATAR course examination candidates in analysing their examination results, the School Curriculum and Standards Authority (Authority) will issue a statement of raw examination marks on application. The statement will provide the marks awarded to each question or section for a course (some questions may need to be combined). For a course with a practical component, the statement includes the practical (oral, performance, portfolio or production) mark.

Conditions

In compliance with Australian Government legislation (the *Privacy Act 1988*), the statement of raw marks is released to the candidate **only** via the **personal** email address that is registered with their WA student number (WASN). The WASN is an eight-digit number that is allocated to students from the Authority and is found on school reports. Candidates can update their personal email address under the **My profile** tab in the student portal at https://studentportal.scsa.wa.edu.au.

Applications must be submitted to the Authority by **close of business – 4.00 pm (AWST) on Friday, 29 January 2027.** Applications received after the closing date cannot be considered.

Statements of raw marks will be provided when all the processes connected with ATAR course examinations have been completed, usually by **mid-February**.

Fee

A fee of $18.00 (GST-free) is payable for each examination. Payment is in Australian Dollars only.

If you choose to withdraw your application for a statement of raw examination marks, you must withdraw it within five (5) working days of making payment to be eligible for a refund.

Instruction

1. To apply for a statement of raw examination marks, select the **Apply** button.
