*'Anomalous performers' are examination candidates whose raw examination mark is significantly lower than their school mark for a course. In the interest of accuracy, the examination marks of 'anomalous performers' at a school are not used to calculate the parameters which determine the moderated school marks at the school. A student is classified as an 'anomalous performer' if the student has a provisionally standardised moderated school mark which is approximately 17 or greater than the student's standardised examination mark.

Note: data recorded in this table for past years may differ from those previously published, due to ongoing confirmation of data resulting in changes after the date of initial publication.
