

Order form for statement of raw examination marks

Closing date: *Friday, 15 February 2019*

To assist candidates in analysing their examinations results, a statement of raw ATAR course examination marks for each course can be provided on application. The statement will provide the marks awarded for each question or section (some questions may need to be combined), of a course. The statement includes any practical (oral, performance or portfolio) marks for courses with a practical component. In the interests of confidentiality, examination results will only be provided directly to the candidate.
