Background

This information package, prepared by the School Curriculum and Standards Authority (the Authority), presents summary Year 12 student achievement data for schools that had Year 12 students in 2017.

Context for 2017

The WACE recognises that:

- learning is a lifelong process and that schooling should ensure school-leavers are better equipped to pursue further education, training or enter the workforce
- after thirteen years of schooling, students should demonstrate a minimum level of literacy and numeracy
- students should engage with courses that are personally challenging, that enhance their development and maximise their future study and career options.

The WACE is the certificate that students in Western Australia receive on successful completion of their senior secondary education. It is recognised nationally in the Australian Qualifications Framework (AQF), by universities and other tertiary institutions, industry and training providers.

While students typically complete a WACE in their final two years of senior secondary school, there is no specified time limit for completion. Study towards achievement of the WACE can be undertaken over a lifetime.

WACE achievement

Achievement of a WACE signifies that a student has successfully met the breadth and depth, the achievement standard and the literacy and numeracy standard in their senior secondary schooling.

For 2017, these requirements are:

- **Breadth and depth**
 - Completion of a minimum of 20 units, which may include unit equivalents attained through VET and/or endorsed programs. This requirement must include at least:
 - a minimum of ten Year 12 units, or the equivalent
 - four units from an English course, post-Year 10, including at least one pair of Year 12 units from an English course
 - one pair of Year 12 units from each of List A (arts/languages/social sciences) and List B (mathematics/science/technology).
- **Achievement standard**
 - Achievement of at least 14 C grades or higher (or the equivalent) in Year 11 and 12 units, including at least six C grades (or equivalents) in Year 12 units.
 - Completion of at least four Year 12 ATAR courses or a Certificate II (or higher) VET qualification.
- **Literacy and numeracy standard**
 - Demonstration of the minimum standard of literacy and numeracy.

Courses and programs

In encouraging students to select courses that are personally challenging and reward student achievement, the Authority offers the following courses and programs:

- **ATAR courses**

These courses have external examinations in Year 12 set by the Authority. ATAR courses are designed for students who are aiming to go to university.

- **General courses**

These courses are not externally examined but have school-based tests/examinations. General courses are designed for students who are typically aiming to enter further vocationally based training or the workforce.

- **Foundation courses**

These courses provide a focus on functional literacy and numeracy skills, practical work-related experience and the opportunity for students to build personal skills that are important for life and work.

- **Vocational Education and Training (VET) industry specific courses**

These courses include a full AQF qualification, mandatory workplace learning and contribute to the Certificate II requirement for a WACE. VET industry specific courses are for students aiming to enter further vocationally based training or the workforce.

- **Preliminary courses**

Preliminary courses are for designed students who have been identified as having a learning difficulty and/or an intellectual disability.

- **Vocational Education and Training (VET) qualifications**

VET qualifications are designed for students wishing to participate in nationally recognised training programs.

- **Endorsed programs**

These programs provide students with access to areas of learning not covered by WACE courses or VET programs.

The Tertiary Institutions Service Centre (TISC)

TISC have provided the median ATAR information for schools for inclusion in the *Year 12 Student Achievement Data*. The Authority acknowledges TISC for permission to publish this information.

The ATAR is used to determine eligibility for university entrance. Students seeking to achieve an ATAR will need to complete a minimum of four Year 12 ATAR courses, excluding unacceptable combinations (see Undergraduate Admission Requirements for School Leavers on the TISC website,

<https://www.tisc.edu.au/static/home.tisc>).

Interpreting data tables

The data tables are about the achievement of students at schools and should not be used to draw simplistic conclusions about the performance of schools. The following general qualifiers should be recognised:

- many factors affect student achievement, some of which are outside the control of schools. These include differences in ability, cultural and language background, educational background of parents and economic differences
- no single table or data source should prevail in drawing conclusions about the performance of students at schools. A more realistic picture is gained from a composite view of all tables
- the statistics of a single year should not be considered in isolation, rather the trend or pattern over a number of years should be considered
- small numbers of candidates at a school can bias inferences, particularly with percentages.

The following three sets of tables are presented:

1. Student achievement tables, Part 1 identifies first 50 schools, in rank order and high achievement in VET and ATAR courses.
2. Student achievement tables, Part 2 lists all schools in alphabetical order for WACE achievement, completion of four or more ATAR courses or a Certificate II or higher, course and program completions, median ATAR and vocational education and training – participation and achievement.
3. Year 12 State statistics for 2017.

Data Highlights

Year 12 population

- In 2017, 25 954* Year 12 students undertook studies towards the WACE. This is an increase of 2.02 per cent on the 25 441 students in 2016.
- In addition, in 2017, 3 272 (3 642 in 2016) 17 year olds were engaged in apprenticeships, traineeships, employment and/or training. These young people were not enrolled in schools.
- In 2017, there was an increase in the number of students repeating or re-entering Year 12 (from 165 in 2016 to 228 in 2017).
- In 2017, the number of mature-age Year 12 students decreased to 234 compared with 238 in 2016.

(* These students have completed at least one course unit, one unit of competence or one endorsed program.)

Secondary WACE achievement

- Of the 25 954 Year 12 students (25 441 in 2016), 24 332 ** full-time students were eligible to achieve a WACE (23 360 in 2016).
- In 2017, 22 174 (91.1 per cent) of eligible Year 12 students achieved a WACE. This compares to 21 473 (91.9 per cent) in 2016.

(** These students have completed at least eight courses units, or equivalent in Year 12 and are eligible to achieve a WACE.)

WACE courses

In 2017, 24 332 (23 360 in 2016) Year 12 students completed one or more WACE courses. Of these, 9987 (41.0 per cent) achieved an A grade in at least one course. In 2016, 9586 (41.0 per cent) achieved an A grade in at least one course.

ATAR courses

- There were 13 299 Year 12 students (54.7 per cent of Year 12 students who undertook full-time studies towards the WACE) who sat four or more ATAR course examinations in 2017. In 2016, there were 13 540 Year 12 students (58.0 per cent) who sat four or more WACE examinations.
- Students who sit four or more ATAR course examinations may be eligible for an ATAR.
- The highest median ATAR was 95.9 and the mean for all eligible schools was 77.5.

Schools with highest performing students in Year 12 ATAR courses

- In 2017, 102 schools had one or more Year 12 ATAR courses with the highest performing students compared to 95 schools in 2016.
- Perth Modern School had 25 Year 12 ATAR courses with the highest performing students and in 2017 there were 12 schools with 10 or more Year 12 ATAR courses with the highest performing students (15 schools in 2016).

Literacy and numeracy

- 7 982 (32.8%) full-time WACE eligible Year 12 students demonstrated all three numeracy, reading and writing standards through prequalification from the Year 9 NAPLAN (28.1% in 2016).
- 22 757 (93.5%) demonstrated all three numeracy, reading and writing standards by the end of Year 12 (93.8% in 2016).
- Of the 24 332 full-time WACE eligible Year 12 students:
 - 23 361 (96.0%) demonstrated the numeracy standard (95.9% in 2016)
 - 23 769 (97.7%) demonstrated the reading standard (97.9% in 2016)
 - 23 538 (96.7%) demonstrated the writing standard (97.2% in 2016).

VET

- There were 86 schools that had 100 per cent of their students, not enrolled in four or more ATAR courses, complete a Certificate II or higher. Therefore all the students that required a Certificate II or higher for their WACE, successfully completed the certificate at these schools.
- In 2017, 14 774 Year 12 students achieved at least one VET qualification at Certificate II or higher in Year 10, 11 or 12, compared with 13 547 in 2016.
- In 2017, there were 4649 Certificate III or IV achieved. Comparative figures for 2016 were 4082. In 2017, 3692 students achieved Certificate III and 957 students achieved a Certificate IV. The respective numbers in 2016 were 3408 and 674.

School profile

The following table shows the number of schools from each school system/sector and metropolitan and country region.

School System/Sector	Region	Number		Total	
		2017	2016	2017	2016
Public	Metropolitan	66	64	97	98
	Country	31	34		
Catholic	Metropolitan	28	28	35	34
	Country	7	6		
Independent	Metropolitan	48	47	54	53
	Country	6	6		

In 2017, there were 20 (25 in 2016) public schools, 6 (4 in 2016) Catholic schools and 18 (14 in 2016) independent schools that had fewer than 20 full-time eligible WACE Year 12 students. These schools are omitted from the attached tables.

Canning College, Cyril Jackson Senior Campus, North Lake Senior Campus, Tuart College, international schools, Schools of Isolated and Distance Education and primary schools are not included.

Part 1: Achievement Measures

The following tables present a number of different ways to represent the relative achievements of students at different schools. These tables do not contain information about the 'value adding' of schools to each of their students over their years of senior secondary schooling. A school may appear in none of these tables but may have improved, significantly beyond expectation, the achievements of its students during these years.

Each way of presenting data has its limitations, and conclusions drawn from these tables must be made cautiously. Thus, failure to appear in this table does not imply that students at this school have not performed well.

First 50 WACE Achievement

This table displays schools with the highest proportion of students who have achieved the WACE.

First 50 Median ATAR

This table displays schools with the highest median ATAR score (the middle ATAR score achieved by students in a school).

100% VET Achievement

Based on the number of full-time eligible Year 12 students who were not enrolled in four or more ATAR courses but completed a VET Certificate II or higher.

Schools with highest performing students in Year 12 ATAR courses

This table lists, for each Year 12 ATAR course, an alphabetical sort of schools with the highest performing students.

First 50 WACE Achievement

This table displays schools with the highest proportion of students who have achieved the WACE.

To be included in the table a student must be a full-time Year 12 student who is eligible* to achieve a WACE.

*Note: A full-time Year 12 student who is eligible to achieve a WACE must have been:

- recorded as a Year 12 student
- enrolled in at least 20 course units or their equivalent, with at least ten Year 12 units or their equivalent
- enrolled in at least one pair of Year 12 course units from each of List A (arts/languages/social sciences) and List B (mathematics/science/technology)
- enrolled in two Year 11 units from an English course and one pair of Year 12 units from an English course.

Schools with fewer than 20 full-time eligible Year 12 students are not included.

Canning College, Cyril Jackson Senior Campus, North Lake Senior Campus, Tuart College, international schools, Schools of Isolated and Distance Education and primary schools are not included.

The data in these tables are about the achievement of students at schools and should not be used to draw simplistic conclusions about the performance of schools. The following general qualifiers should be recognised:

This table displays schools with the highest median Australian Tertiary Admission Rank (ATAR) score, i.e. the middle ATAR score achieved by students in a school.

To be included in the table a student must be in Year 12 with at least one current year letter grade and be eligible* for an ATAR.

Schools with less than 20 eligible Year 12 students are not included.

Mature age, international students and schools with a significant number of international students are not included.

Canning College, Cyril Jackson Senior Campus, North Lake Senior Campus, Tuart College, international schools, Schools of Isolated and Distance Education and primary schools are not included.

*Note: See the TISC website for ATAR eligibility requirements.

This table displays an alphabetical listing of schools with 100% of their full-time eligible Year 12 students, who were not enrolled in four or more ATAR courses, completing a VET Certificate II or higher.

Schools with less than 20 eligible Year 12 students are not included.

Mature age, international students and schools with a significant number of international students are not included.

Canning College, Cyril Jackson Senior Campus, North Lake Senior Campus, Tuart College, international schools, Schools of Isolated and Distance Education and primary schools are not included.

The data in these tables are about the achievement of students at schools and should not be used to draw simplistic conclusions about the performance of schools. The following general qualifiers should be recognised:

- many factors affect student achievement, some of which are outside the control of schools. These include differences in ability, cultural and language background, educational background of parents and economic differences
- no single table or data source should prevail in drawing conclusions about the achievement of students at schools. A more realistic picture is gained from a composite view of all information available about schools
- the statistics of a single year should not be considered in isolation, rather the trend or pattern over a number of years should be considered
- small numbers of candidates at a school can bias inferences, particularly with percentages.

Schools with highest performing students in Year 12 ATAR courses

Based on the percentage of students at each school who had Year 12 ATAR course combined scores in the top 15 percent of all students in that course.

This table lists, for each Year 12 ATAR course, an alphabetical sort of schools with the highest performing students.

The list is compiled from the percentage of students at each school who had Year 12 ATAR course combined scores in the top 15 percent of all students in that course. Depending on the number of schools teaching each Year 12 ATAR course, up to the top 15* schools with the highest percentage are listed.

(* Note: more than one school may be on the same percentage of students in the top 15 percent, hence there may be more than 15 schools listed.)

This list recognises the strength of achievement of schools in Year 12 ATAR courses but does not discriminate between schools with high or low enrolment in Year 12 ATAR courses.

To be entered in this table, schools must have at least 10 students with a Year 12 ATAR course combined score in the course. The Year 12 ATAR course listings do not include schools where fewer than 10 percent of the students had combined scores in the top 15 of all students in that course.

Year 12 ATAR courses not listed have no eligible schools.

Canning College, Cyril Jackson Senior Campus, North Lake Senior Campus, Tuart College, international schools, Schools of Isolated and Distance Education and primary schools are not included.

The data in these tables are about the achievement of students at schools and should not be used to draw simplistic conclusions about the performance of schools. The following general qualifiers should be recognised:

- many factors affect student achievement, some of which are outside the control of schools. These include differences in ability, cultural and language background, educational background of parents and economic differences
- no single table or data source should prevail in drawing conclusions about the achievement of students at schools. A more realistic picture is gained from a composite view of all information available about schools
- the statistics of a single year should not be considered in isolation, rather the trend or pattern over a number of years should be considered
- small numbers of candidates at a school can bias inferences, particularly with percentages.

Part 2: Descriptive and achievement measures – all schools

Achieving the WACE

Achievement of a WACE signifies that a student has successfully met the breadth and depth, the achievement standard and the literacy and numeracy standard in their senior secondary schooling.

For 2017 and beyond these requirements are:

- **Breadth and depth**
 - Completion of a minimum of 20 units, which may include unit equivalents attained through VET and/or endorsed programs. This requirement must include at least:
 - a minimum of ten Year 12 units, or the equivalent
 - four units from an English course, post-Year 10, including at least one pair of Year 12 units from an English course
 - one pair of Year 12 units from each of List A (arts/languages/social sciences) and List B (mathematics/science/technology).
- **Achievement standard**
 - Achievement of at least 14 C grades or higher (or the equivalent) in Year 11 and 12 units, including at least six C grades (or equivalents) in Year 12 units.
 - Completion of at least four Year 12 ATAR courses or a Certificate II (or higher) VET qualification.
- **Literacy and numeracy standard**
 - Demonstration of the minimum standard of literacy and numeracy.

The following notes provide definitions and explanations of each of the data columns in Table 1.

School

Schools are listed alphabetically.

Number F/T eligible Year 12 students

This column provides the number of full-time eligible Year 12 students registered at the school.

A 'full-time' student is in Year 11 or 12 and has results for at least eight School Curriculum and Standards Authority course units (or equivalent) in the current year, and in addition is eligible to achieve a WACE. A 'result' in a course unit means the awarding of one of the grades A, B, C, D, E, or U (unfinished).

Number

This column refers to the number of full-time eligible Year 12 students who achieved a WACE.

Percentage

This column expresses the number of students who achieved a WACE as a percentage of all students eligible for a WACE.

General Points

- Schools with fewer than 20 full-time eligible Year 12 students are not included.
- Canning College, Cyril Jackson Senior Campus, North Lake Senior Campus, Tuart College, international schools, Schools of Isolated and Distance Education and primary schools are not included.
- 'All students' totals and percentages refer to totals and percentages for all eligible Year 12 students.

The following notes provide definitions and explanations of each of the data columns in Table 7.

School

Schools are listed alphabetically.

Number eligible Year 12 students

To be included in the table a student must be in Year 12 with at least one current year letter grade and be eligible for an Australian Tertiary Admission Rank (ATAR)*.

*Note: See the Tertiary Institutions Service Centre (TISC) website for ATAR eligibility requirements.

Students with an ATAR

Number and percentage of students with an ATAR.

Median ATAR

This column provides the middle ATAR score achieved by students in a school.

General Points

- Schools with fewer than 20 eligible Year 12 students are not included.
- Canning College, Cyril Jackson Senior Campus, North Lake Senior Campus, Tuart College, international schools, Schools of Isolated and Distance Education and primary schools are not included.
- Mature age, international students and schools with a significant number of international students are omitted.

This table gives a breakdown of student achievement in VET programs during Years 10 to 12. VET in schools offers students practical learning, introduces them to the world of work and provides employability skills.

An Australian Qualifications Framework (AQF) VET qualification is a nationally recognised training qualification which comprises groups of units of competency developed by industry. The achievement of an AQF VET qualification refers to completion of the required number of units of competency for the particular qualification.

Some students may have completed more than one qualification.

The following notes provide definitions and explanations of each of the data columns in Table 8.

School

Schools are listed alphabetically.

Number F/T eligible Year 12 students

This column provides the number of full-time eligible Year 12 students registered at the school.

Completed Certificate I in Year 10 to Year 12

Number

This column refers to the number of AQF VET Certificate I completed by eligible students over Years 10 to 12.

Percentage

This column refers to the percentage of AQF VET Certificate I compared to the total number of certificates completed by eligible students over Years 10 to 12.

Completed Certificate II in Year 10 to Year 12

Number

This column refers to the number of AQF VET Certificate II completed by eligible students over Years 10 to 12.

Percentage

This column refers to the percentage of AQF VET Certificate II compared to the total number of certificates completed by eligible students over Years 10 to 12.

Completed Certificate III or higher in Year 10 to Year 12

Number

This column refers to the number of AQF VET Certificate III or higher completed by eligible students over Years 10 to 12.

Percentage

This column refers to the percentage of AQF VET Certificate III or higher compared to the total number of certificates completed by eligible students over Years 10 to 12.

General Points

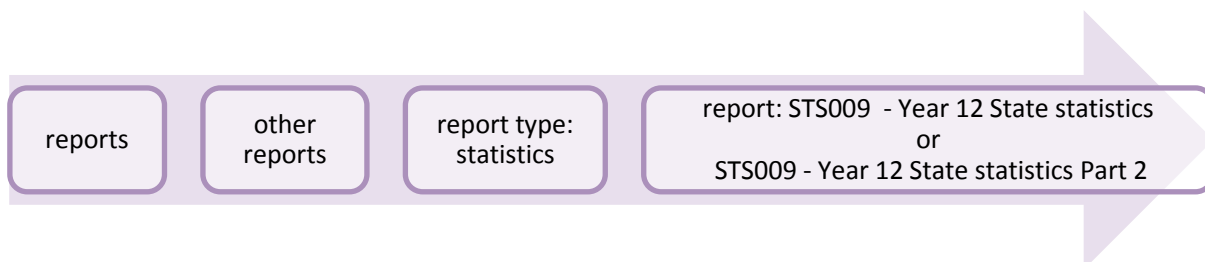

- Schools with fewer than 20 full-time eligible Year 12 students.
- Canning College, Cyril Jackson Senior Campus, North Lake Senior Campus, Tuart College, international schools, Schools of Isolated and Distance Education and primary schools are not included.

Part 3: Explanatory notes for Year 12 statistical reports

These notes are provided to assist schools to understand the parameters used by the School Curriculum and Standards Authority in the compilation of statistical reports on Year 12 participation and achievement for 2017 (STS009). This report relates to the participation and achievement in Year 12 students.

STS009 – Year 12 State statistics

This report consists of six sections and can be downloaded from SIRS using the following pathway:

Section 1: Summary school statistics

1a Student population

This provides the number of Year 12 students who completed at least one course or course unit or equivalent and the number of ‘repeaters’, ‘re-enterers’, overseas students and mature-age students.

Note:

‘Completing’ a course or a course unit is defined as obtaining either a grade (A, B, C, D, or E) in the course or course unit.

‘Repeaters’ are Year 12 students who complete at least one course or course unit or equivalent in the year following first enrolment in Year 12.

‘Re-enterers’ are Year 12 students who complete at least one course or course unit or equivalent more than one year after first enrolment in Year 12.

‘Mature-age’ students were aged 19 or more on 1 March of the year in which their results were awarded.

1b Western Australian Certificate of Education (WACE)

This provides the number of full-time students who are eligible to achieve the WACE, demonstrated both the literacy and numeracy standard and who achieved the WACE.

The Western Australian Certificate of Education (WACE) is awarded to students who have successfully met the requirements for breadth and depth, the achievement standard and the literacy and numeracy standard in their senior secondary schooling.

For 2017, these requirements were:

Breadth and depth

Students must complete a minimum of 20 units (or the equivalent) of which at least 10 Year 12 units (or the equivalent) must be included. The 20 units (or the equivalent) must include at least:

- four units from an English course, post-Year 10, including at least one pair of Year 12 units from an English course and
- one pair of Year 12 units from each of List A (arts/languages/social sciences) and List B (mathematics/science/technology).

Of the 20 units required for a WACE, up to a maximum of four Year 11 units and four Year 12 units may be substituted by VET qualifications and/or endorsed programs. A student may choose to study VET qualifications and/or endorsed programs and are able to substitute using only VET qualifications (up to a total of eight units) **or** using endorsed programs (up to a total of four units) **or** using a combination of VET and endorsed programs (up to a total of eight units but with a maximum of four units with endorsed programs – two in Year 11 and two in Year 12).

Achievement standard

Students must achieve at least 14 C grades or higher (or the equivalent) in Year 11 and 12 units with a minimum of six C grades or the equivalent in Year 12 units.

Both VET qualifications and endorsed programs can indirectly contribute to the WACE standard requirement of a C grade in at least 14 units. A C grade in a maximum of eight units (four in Year 11 and four in Year 12) can be replaced by unit equivalents from VET qualifications and/or endorsed programs. Of these eight unit equivalents, a maximum of four can be from endorsed programs (two in Year 11 and two in Year 12).

Students are required to complete at least four Year 12 ATAR courses or a Certificate II (or higher) VET qualification.

Literacy and numeracy standard

Students must demonstrate the minimum standard of literacy and numeracy.

The minimum standard is indicative of Level 3 of the Australian Core Skills Framework. Students who have achieved Band 8 or higher in the corresponding Year 9 NAPLAN component (Reading, Writing and Numeracy) have met the standard required for that component. Students who had not pre-qualified in reading, writing or numeracy are/were required to complete the corresponding component/s of the Online Literacy and Numeracy Assessment.

The detailed requirements for achievement of the WACE are provided in the information paper *The WACE 2017 – Your Guide to the Western Australian Statement of Student Achievement (WASSA), Western Australian Certificate of Education (WACE) and ATAR Course Report* which is available on the Authority website at <http://senior-secondary.scsa.wa.edu.au/the-wace/wace-requirements>

It has been agreed, in consultation with stakeholders, that the percentage of students achieving the WACE is calculated from a base population consisting only of those full-time Year 12 students who could have achieved the WACE (if they had achieved at a suitable standard).

The population of full-time students eligible to achieve the WACE is also used as a base when calculating the numbers of ATAR examination students, course unit students, VET students and endorsed program students.

1c WACE course units

This provides the number of full-time students who are eligible to achieve the WACE, and who attained a grade of A, B, C, D or E in at least one pair of course units. Also included is the number of these students who attained a grade of A in at least one pair of course units.

Generally, students taking fewer than four Year 12 ATAR courses in Year 12 are not able to obtain an ATAR, so they may be regarded as not aspiring to university study in the following year.

1d ATAR examination students

This provides the number of students who are eligible to achieve the WACE who attained four or more ATAR combined scores. Usually students aspiring to enter university need at least four scaled scores to obtain an ATAR.

1e VET students

This provides the number of full-time students eligible to achieve the WACE who achieved at least one Certificate II or higher in Year 10, Year 11 or Year 12.

Students in this category may also be included in category 1c or category 1d.

1f Endorsed program students

These students are defined as full-time students who are eligible to achieve a WACE, and who were enrolled in at least one endorsed program.

Also reported is the number of these students who achieved a result in at least one endorsed program.

Students in this category may also be included in category 1c or category 1d.

Section 2: WACE courses

Table 2 in Appendix 1 shows the distribution of full-time students eligible to achieve the WACE, by the number of Year 12 course unit pairs completed by each student.

Section 3: ATAR course examinations

Table 3 in Appendix 1 shows the distribution of full-time students eligible to achieve the WACE, by the number of ATAR course examinations sat by each student. Sub-totals show the number of students who sat the ATAR course examination in enough courses to obtain an ATAR (at least four) and the number who sat the ATAR course examination in less than four courses. The number of ATAR course examinations sat by a student is defined as the number of course combined scores obtained.

Section 4: VET studies

VET qualifications count towards achievement of the WACE. However, unit equivalence is not awarded for partially completed Certificate I and II qualifications.

Table 4 in Appendix 1 shows the distribution of VET qualifications achieved among full-time students eligible to achieve the WACE. Students who have achieved more than one VET qualification will be counted as many times as they have achieved qualifications.

Section 5: Endorsed programs

Endorsed programs count towards the achievement of the WACE.

Table 5 in Appendix 1 shows the distribution of unit equivalents achieved for endorsed programs amongst full-time students eligible to achieve the WACE. A unit equivalent of an endorsed program is equivalent to one course unit.

Section 6a: Summary of students' results by grade for courses

Appendix 2 shows the number and percentage of Year 12 students awarded each of the grades (A, B, C, D and E) for each WACE course by gender.

In addition, a statistical test has been carried out to compare the performance of males against females.

Under the heading **better performing group** the following entries may be found:

Entry	Meaning
Males	For this course, males had higher grades than females.
Females	For this course, females had higher grades than males.
NS	The statistical test showed no significant difference between groups.
-	No test was carried out because there were not enough candidates.

Section 6b: Summary of students' completions for Preliminary course units

Appendix 3 shows the number of Year 12 students who completed Preliminary course units by gender.
