Introduction

To enrol in a Western Australian Certificate of Education (WACE) language course, you are required to submit an *Application for permission to enrol in a WACE language course (Language Application)* to the School Curriculum and Standards Authority (the Authority).

Information about the language application process is available on the WACE Language applications page of the [Authority website \(https://www.scsa.wa.edu.au/sirs-and-srms-info/srms-information/wace-language-applications\)](https://www.scsa.wa.edu.au/sirs-and-srms-info/srms-information/wace-language-applications).

This user guide shows you how to submit an application via the [student portal \(https://studentportal.scsa.wa.edu.au\)](https://studentportal.scsa.wa.edu.au).

You must submit your application to the Authority, with the required supporting documentation, by the deadline, which is published on the Authority website and in the *Activities Schedule*.

Students complete their application when they are in Year 10, or in Year 9 if they are gifted and talented/accelerated language students. A student's enrolment status is determined by the Authority on a case-by-case basis.

Enrolment criteria

The information you provide in this application will be assessed against three criteria:

- Education
- Residency and/or time spent in-country
- Use of the language for communication outside the language classroom.

Five steps to apply for a WACE language course

As outlined in this guide, there are five steps to follow to apply for permission to enrol in a WACE language course:

Step 1: Log in to the student portal

Step 2: Start your *Language Application*

Step 3: Upload your supporting documents

Step 4: Submit your *Language Application*

Step 5: Check the student portal for the status of your *Language Application*

Student checklist for WACE Language Applications

Use this checklist to get everything ready before you start your *Application for permission to enrol in a WACE Language Course (Language Application)*. If you have any questions, ask your parent/s or guardian/s, your language teacher or school administration, or you can email the Authority at languagesenrolment@scsa.wa.edu.au.

1

Logging in to the student portal

To log in to the [student portal \(https://studentportal.scsa.wa.edu.au\)](https://studentportal.scsa.wa.edu.au), you need your **WA student number**, which you will find on your school report/s. It may also be on your SmartRider. You also need a **personal email address** and must be able to access your personal email account when you complete your *Language Application*. Using a personal email address allows you to receive emails after you have left school, and your school email address has expired.

2

Educational information

You need to provide the following education information:

- details of the schools you attended for each school year from Pre-primary:
 - name of the school
 - main language used for instruction at the school
 - language/s studied (if any)

- school report/s for years where you attended school/s outside Australia (if any)

3

Residential information

You need to provide the following residential details:

- countries you have lived in
- countries you have visited/travelled to/holidayed in, including the reason/s for and length of in-country visit/s. This includes only countries where the language spoken is the same as the one for which you are applying

4

Linguistic background

You need to provide the following linguistic details:

- the first language/s you learned to speak
- other language/s you speak, read and write
- the language/s you speak with your parent/s or guardian/s and with your siblings and friends
- the language/s your parent/s or guardian/s speak

5

Supporting documents

You need to photograph or scan the following documents for upload into your application:

- completed *Parent/Guardian Acknowledgement* form – mandatory
- passport identification page – if you were born in another country or have lived outside Australia
- school report/s – if you have attended school/s outside Australia
- international movement record/s – if you have lived in or frequently travelled to countries or places where the language for which you are applying is spoken (and if requested by the Authority)

Save the supporting documents to your computer or mobile device as **.pdf, .jpg, .jpeg or .png** files, with a **maximum size of 4MB for each file**. Word documents will **not** be accepted, and you should not use spaces or unrecognisable characters or symbols such as < > ? ! / \ " * : , # % \$ () { } + = @ when naming files.

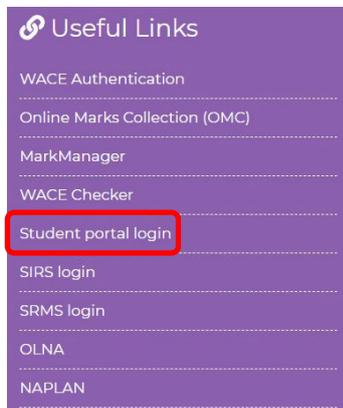

This page has been left blank intentionally.

If you were born in, have lived in, or attended school in a country where the language in which you wish to apply is used for communication and/or school instruction, you must upload your passport identification page. Usually, you do not have to request and submit an international movement record/s (IMR) document, but you may be asked by the Authority for this after your application has been submitted.

Photograph or scan each supporting document and save the files to your computer or mobile device. Your supporting documents must be saved as **.pdf, .jpg, .jpeg** or **.png** files, with a **maximum size of 4MB for each file**. Word documents will **not** be accepted. Do not use spaces or unrecognisable characters or symbols, such as < > ? ! / \ " * : , # % & () { } + = @ when naming files.

Select the first document from the drop-down list (highlighted below). Click on the **Browse** button (highlighted below) to select the file from your computer or mobile device then click on the **Open** button (**Upload** button on a Mac) to upload this file. Repeat this process until you have uploaded all your documents. If you have additional information, select **Other** from the drop-down list, and upload another file. If you want to remove a file, click on the **Remove** button next to the document.

Appeal process

If the Authority determines that you do not meet the enrolment criteria for a course and are therefore not permitted to enrol in a Second or Background Language course, this will be shown in the student portal.

If you have additional information that shows that you do meet the enrolment criteria for the Second or Background Language course, you can lodge an appeal with the Authority.

You must do this within two weeks of receiving your WACE language course enrolment notification in the student portal.

The Language pathway for each student is determined as follows:

Second language – a student will be considered for the second language pathway if the information provided in the *Language Application* satisfies all three criteria for the Second language pathway

Background language – a student will be considered for the background language pathway if the information in the *Language Application* satisfies at least one criterion for the Background language pathway

First language – a student will be considered for the first language pathway if the information in the *Language Application* satisfies, in addition to the Use of the language for communication outside the language classroom criterion, at least one other criterion of the First language pathway.

To request an appeal, download and complete the [Application form for appeal against languages enrolment determination](#), which you can find on the Applications and Order forms page of the Authority Website.

To show that you meet the enrolment criteria, you will need to provide additional information with your *Appeal Application* form.

You should email your completed *Appeal Application* form and additional information to languagenrolment@scsa.wa.edu.au.

Note: you can only lodge one appeal for each *Language Application* you submit.

The Languages Enrolment Determinations Appeals Committee will review your appeal application form and additional information.

After the appeal is completed, the Authority will notify you and your parent/s or guardian/s by email, of the outcome of the appeal.

At this point, you should contact your school to discuss your study options.
