

Results Checks: Candidate Application ATAR Course Examinations (Northern Hemisphere) 2024–25

Closing date: by close of business – 4.00 pm (AWST) on Friday, 30 May 2025

Examination results can be checked by an ATAR course examination candidate if they doubt the accuracy of any of the results they receive.

For practical examinations, the results check involves confirming that each criterion in the candidate's practical examination has been awarded a mark and the mark is correctly recorded.

For written examinations, the results check involves inspecting the candidate's examination script to confirm that each question attempted by the candidate has been awarded a mark and the mark is based upon the marking key and correctly recorded.

If an error is detected:

- the higher of the two marks will be awarded
- the School Curriculum and Standards Authority (the SCSA) will notify TISC
- the results check fee will be refunded.

Neither the written script nor the practical (oral, performance, portfolio or production) will be re-marked. All examinations have been independently marked by at least two trained markers and a strict marking process is followed.

Note: results checks are **not** available for Interstate Language examinations.

Conditions

In compliance with Australian Government legislation (*Privacy Act 1988*), the outcome of a results check is released to the candidate **only** via the **personal** email address that is registered with their WA student number (WASN) in the Student Portal. The WASN is an eight-digit number that is allocated to students from the SCSA and is found on school reports. Candidates can update their personal email address under the **My profile** tab in the Student Portal at <https://studentportal.scsa.wa.edu.au>.

Applications must be submitted to the SCSA by **close of business – 4.00 pm (AWST) on Friday, 30 May 2025**. Applications received after the closing date cannot be considered.

Results checks outcomes will be provided after the Year 12 results are published, usually in **June**.

Fee

A fee of \$48.00 (GST-free) is payable for each results check, i.e. written examination and/or practical.

Payment is in Australian Dollars only.

Foreign currencies, bank drafts in foreign currencies and personal cheques are not accepted.
