E-circulars

Keep up-to-date with the latest information about school curriculum and assessment, standards and certification of student achievement in Western Australia. Subscribe to our monthly online circulars for K–10 and/or 11–12 at <https://www.scsa.wa.edu.au/publications/circulars>.

WACE Checker

The Authority has developed a WACE Checker tool for Year 12 students which can be used to check their progress towards achieving their Western Australian Certificate of Education (WACE) and is available at <https://wacechecker.scsa.wa.edu.au>.

The WACE Checker tool is particularly useful for students considering changes to their education program (especially relating to withdrawing from courses) which may affect their eligibility for the WACE. More information is available under the 'Tell me more' button in the checker.

Social media

For information about the WACE, WASSA, exams and important dates, follow the Authority on social media. The Authority has two Facebook pages and a Twitter account.

<https://facebook.com/SCSAWA> is for students in Years 10, 11 and 12, their parents, teachers and community stakeholders. The focus of the page is to provide information to students working towards the WACE and a WASSA.

<https://facebook.com/SCSAWAteachers> is for teachers and community stakeholders. The focus of the page is to provide information to teachers delivering the Western Australian curriculum from Kindergarten to Year 12. Reminders about key dates as listed in the Activities Schedule are published on this page.

<https://twitter.com/scsawa> provides general information to the Authority's stakeholders.

QUICK REFERENCE GUIDE

WACE requirements – 2019

Achievement of a WACE signifies that a student has successfully met the requirements for breadth-and-depth, the achievement standard and the literacy and numeracy standard in their senior secondary schooling.

For 2019, the requirements are:

Breadth-and-depth requirement

- Completion of a minimum of 20 units, which may include unit equivalents attained through VET and/or endorsed programs. This requirement must include at least: (Explanatory notes 1, 2, 3, 4, 5)
 - a minimum of ten Year 12 units, or the equivalent
 - four units from an English learning area course, post-Year 10, including at least one pair of Year 12 units from an English learning area course
 - one pair of Year 12 units from each of List A (arts/languages/social sciences) and List B (mathematics/science/technology).

Achievement standard

- Achievement of at least 14 C grades or higher (or the equivalent) in Year 11 and 12 units, including at least six C grades (or equivalent) in Year 12 units. (Explanatory notes 5 and 6)
- Completion of at least four Year 12 ATAR courses or a Certificate II (or higher) VET qualification.

Literacy and numeracy standard

- Demonstration of the minimum standard of literacy and a minimum standard of numeracy. (Explanatory notes 7 and 8)

Explanatory notes relating to WACE requirements

1. The breadth requirement can be met through ATAR, General and Foundation courses. The depth requirement can be met through ATAR, General, VET industry specific and Foundation courses, VET credit transfer and endorsed programs. The achievement standard can be met through ATAR, General, VET industry specific and Foundation courses.
2. Of the 20 units required for a WACE, up to a maximum of four Year 11 units and four Year 12 units may be substituted by VET qualifications and/or endorsed programs. A student may choose to study VET qualifications and/or endorsed programs and may substitute using only VET qualifications (up to a total of eight units) **or** using endorsed programs (up to a total of four units) **or** using a combination of VET and endorsed programs (up to a total of eight units but with a maximum of four units with endorsed programs – two in Year 11 and two in Year 12).
3. Students are able to substitute the minimum number of course unit requirement with unit equivalents achieved through the completion of AQF VET qualifications at Certificate I, II, III and higher and/or endorsed programs.
4. Students can repeat units. However, those units that have the same unit code, e.g. AEENG, and are repeated, do not contribute to the WACE requirements more than once. Note: students who complete ATAR Units 3 and 4 prior to Year 12 and sit the examination cannot repeat these units until after they leave school at the completion of Year 12.
5. Students enrolled in a Year 12 ATAR course must sit the external examination in that course. If students do not sit an ATAR course examination and do not have an approved sickness/misadventure application for not sitting the examination in that course, the pair of units completed in that year will not contribute towards any of the WACE requirements. Students who do not sit the ATAR course examination will not have a course mark or grade recorded on their WASSA, nor will they receive an ATAR course report. For ATAR courses with practical components, students must complete both the written and practical examinations.
6. Both VET qualifications and endorsed programs can indirectly contribute to the WACE standard requirement of a C grade in at least 14 units. A C grade in a maximum of eight units (four in Year 11 and four in Year 12) can be replaced by unit equivalents from VET qualifications and/or endorsed programs. Of these eight unit equivalents, a maximum of four can be from endorsed programs (two in Year 11 and two in Year 12).
7. The literacy and numeracy standard can be met either through the Online Literacy and Numeracy Assessment (OLNA) or by achieving Band 8 or higher in the associated components of reading, writing or numeracy in the Year 9 NAPLAN tests. Students undertaking the OLNA will be required to satisfy both the reading and writing components in order to demonstrate the minimum WACE literacy standard.
8. If students do not demonstrate the literacy and numeracy standard by the time they exit secondary school, they can apply to the Authority to re-sit the assessment at any age. (Note: the WACE requirements may change over time and students studying towards the achievement of the WACE after they leave school will be required to meet the WACE requirements current at the time of the completion of their studies.)
