* Persons in each year who sat at least one written examination (2010 to 2012) as a percentage of the total number who sat the WACE examinations. In 2013, the figure is calculated from the number of candidates who sat at least one component (practical or written) of a WACE course examination (2013) as a percentage of the total who sat at least one component of a WACE course examination.

Note: data recorded in this table for past years may differ from those previously published, due to ongoing confirmation of data resulting in changes after the date of initial publication.
