## Application for WACE recognition of a VET accredited course

A VET accredited course is one that is developed to meet training needs not addressed by existing training packages. Courses and modules that are not part of a nationally endorsed training package do not automatically provide students with recognition towards the WACE.

This application is for schools who wish to enrol students in a VET accredited course that is not currently included on the Accredited Course Recognition Status list. This list is available on the WACE Recognition of VET Accredited Courses webpage on the School Curriculum and Standards Authority (the Authority) website at

<https://senior-secondary.scsa.wa.edu.au/vet/wace-recognition-of-vet-accredited-courses>

The provision of the appropriate level of recognition for VET accredited courses is determined based on the classification of the course outcomes. The classification scheme determines whether the accredited course outcomes have an industry, foundation skills or vocational focus.

For more information about the classification of VET accredited courses, refer to the WACE Recognition of VET Accredited Courses webpage on the Authority website.

If an accredited course is approved for WACE recognition, the successful completion will be awarded credit as unit equivalents towards achievement of the WACE, in the same manner as nationally endorsed training package VET qualifications. However, not all accredited courses approved for WACE recognition can contribute to meeting the Certificate II minimum requirement.

**Please complete the following details and email the form to:**

[VETinfo@scsa.wa.edu.au](mailto:VETinfo@scsa.wa.edu.au)

**by no later than Thursday, 2 March 2023.**

**Applications must include a summary of accredited course content and outcome information; you may need to contact the relevant registered training organisation (RTO) for this documentation.**

**Applicants are encouraged to contact the Principal Consultant – Vocational Education and Training at: [VETinfo@scsa.wa.edu.au](mailto:VETinfo@scsa.wa.edu.au) for any queries prior to submission.**
