

Statements of Raw Examination Marks: Candidate Application ATAR Course Examinations (Northern Hemisphere) 2024–25

Closing date: by close of business – 4.00 pm (AWST) on Friday, 30 May 2025

Statements of raw examination marks can assist ATAR course examination candidates in analysing their examination results. The statement will provide the marks awarded for each question or section (some questions may need to be combined) of a course. For a course with a practical component, the statement includes the practical (oral, performance, portfolio or production) mark.

Note: candidates can use their statement of raw examination marks in conjunction with a **copy of their examination script** (written examinations only) when analysing their results for a course (<https://www.scsa.wa.edu.au/forms/forms> > **Examinations**).

Conditions

In compliance with Australian Government legislation (*Privacy Act 1988*), the statement of raw examination marks is released to the candidate **only** via the **personal** email address that is registered with their WA student number (WASN) in the Student Portal. The WASN is an eight-digit number that is allocated to students from the School Curriculum and Standards Authority (the SCSA) and is found on school reports. Candidates can update their personal email address under the **My profile** tab in the Student Portal at <https://studentportal.scsa.wa.edu.au>.

Applications must be submitted to the SCSA by **close of business – 4.00 pm (AWST) on Friday, 30 May 2025**. Applications received after the closing date cannot be considered.

Statements of raw examination marks will be provided when all the processes connected with ATAR course examinations have been completed, usually by **mid-June**.

Fee

A fee of \$17.00 (GST-free) is payable for each examination.

Payment is in Australian Dollars only.

Foreign currencies, bank drafts in foreign currencies and personal cheques are not accepted.

If a candidate chooses to withdraw their application for a statement of raw examination marks, they must withdraw it within five (5) working days of making payment to be eligible for a refund.

Application

1. To apply for a statement of raw examination marks, select **[APPLY](#)**.
