* Enrolments include students who were non-examination candidates.

** Up until and including 1994, full time students were those enrolled in five or more Secondary Education Authority (SEA) approved subjects. Students enrolled in four or fewer approved subjects were classified as part time. However, in 1995, the SEA resolved that full-time students be classified as those who studied four or more (full year or equivalent) SEA approved subjects.

*** With the introduction of WACE courses there was a change in the enrolment procedures. From 2007, Year 12 students who enrolled in either a stage 2 or stage 3 course which had an external examination were automatically enrolled to sit for this examination. As such, the 2007 to 2012 figures are higher than expected.
