### WITHDRAWAL OF A STUDENT FROM NAPLAN TESTS

Parents and carers have the right to apply to withdraw a student from any or all the tests in the NAPLAN assessment program. Withdrawals are intended to address issues such as religious and philosophical objections to testing. **This form must be signed by the student's parent/carer and the school principal.** See *NAPLAN Handbook for principals and NAPLAN coordinators* section 5.3.

Students who are granted a withdrawal are not counted as part of the cohort of assessed students. The text that will appear on the individual student report for tests for which the student was withdrawn will read: *Your child was withdrawn from this test.*

**Students will be withdrawn from all tests unless otherwise advised below.**

If there are any tests that this student **should not** be withdrawn from, please advise here:

*This student should NOT be withdrawn from \_\_\_\_\_ test(s).*
